General Information

LOCATION—The Sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, March 30, 1953. Show at 9:00 a.m. Sale at 1:00 p.m.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association; or to any of the auctioneers: J. E. Halsey, Des Moines, Iowa; Carl Graham, or Glen Bradley, Maryville, Missouri.

A dinner will be served the evening before the sale. For place, hour, and tickets, see Dale Bellows, Maryville, Missouri.

Those from a distance desiring hotel reservations should contact **Dr. W. L. Landfather**, Sale Manager, early.

Show and Classifications

This show and sale is co-sponsored by the Missouri State Board of Agriculture and the Northwest Missouri Shorthorn Breeders' Association.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as to blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution, and use of better breeding animals in Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type, and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds, and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

ROLLO E. SINGLETON, Superintendent of Show

Judge—John J. Depape, Gashland, Missouri

CLASSIFICATIONS

BULLS

Class I —Calved before August 1, 1951.

Class II —Calved between August 1, 1951 to December 31, 1951.

Class III—Calved in 1952.

COWS

Class IV—Calved before January 1, 1950.

Class V —Heifers calved between June 1, 1951 to January 1, 1952.

Class VI—Heifers calved after January 1, 1952.

From the Manager's Desk

Quality has no substitute. Northwest Missouri has been producing quality SHORTHORNS since 1841. Col. Isaac N. Prather migrated to Northwest Missouri from Kentucky in 1841 and brought with him six or eight head of shorthorns and later brought in many more. By 1865, Northwest Missouri's prairies were covered with the red, whites and roans. By 1880, practically every cow herd in Northwest Missouri was serviced by a SHORTHORN bull. Had the SHORTHORN of the 1880's been the Scotch type of today, they would be the dominant breed of cattle on the range today, but we had to wait for Cruickshank and others to broaden the back, deepen the quarters and shorten the legs before we had cattle with that versatile adaptability to all conditions.

No better blood lines can be found than those incorporated in Northwest Missouri Shorthorns today. Twenty-five per cent of the Grand Champion shorthorns are Missouri bred or sired by Missouri bred bulls.

For breeding stock look well to your area of supply, choose an area backed by a century of constructive shorthorn breeding Northwest Missouri is that area where quality has no substitute.

DR. W. L. LANDFATHER, Sales Manager.

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring $1\frac{1}{4}$ pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.

Ransom Mercury 23d is a Mercury Goldfinder cross whose conformation is almost perfect—deep, thick, short legged, straight lines, good bone, smooth, strong headed, and very deep quarters. We have used him on several heifers and if he was not so closely related to our herd would have been retained as herd sire. Few better bulls sell. From our best family of females, remember the Mercury's breed on.
